

RE: Searle Parking Garage

To: Lawrence Cerami
Subject: Excellence in Performance
From: David Weingart

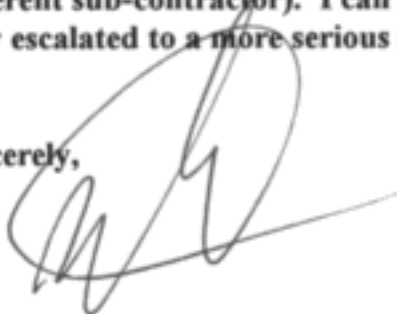

Mr. Cerami:

In reference to the above mentioned subject, please be aware of the following.

The Austin Company and I have been associated with Cerami Construction for a short time. Nonetheless, by the performance to this date I feel the correct decision was made in joining forces for this project.

Austin's position was accented by the performance of your foreman, Fidel. I would like at this time to thank you personally for the error Fidel noticed (from a different sub-contractor). I can now set the corrective measures in action before they escalated to a more serious situation.

Sincerely,

**David Weingart
Project Superintendent**
